INVITATION

We wish to extend to you a personal invitation to attend our 10th North Central Iowa Shorthorn Show and Sale on Saturday, June 1, 1968.

The North Central Iowa Shorthorn Association has been recognized as one of the most progressive associations in the state. These sales have become known as the place to buy improving replacement females and outstanding herd bull prospects.

This sale offers as much or more in the way of real quality and honest-to-goodness real producing Shorthorns than any other sale of its size. Confirm this by studying the catalogue, note the consignors, the pedigrees, the footnotes and outstanding records.

The 30 herd bull prospects and the 18 outstanding females in this sale are up to and better than the usual high standard of the North Central Iowa Sales.

Plan to attend

Millard B. McNutt, President
Frank Matern, Secretary

NOTICE: Where footnotes appear, information has been supplied by consignor. Not responsible for any accidents.

NOTICE OF COMING EVENT – North Central Iowa Shorthorn Ass'n and Jr. Ass'n Show at North Iowa Fair Grounds. Date to be announced later.

STANDARD GUARANTEE

Recommended by American Shorthorn Association

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of a freight in such cash is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T. B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.

Bondsman Renown - since we have bought Wrenacres Astronaut, we have no further use for this proven sire. We have used him on half sisters for two years where he did a great job. Good cattlemen that saw his dam, have said that she truly is one of the great Shorthorn cows to be seen. Look him over on sale day.

General Information

TERMS – The terms of this sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the Clerk of the Sale immediately at the conclusion of the auction. All stock will be a buyer's risk as soon as bid off and will be loaded in compliance with instructions from the purchaser.

GUARANTEE – All cattle sold in this sale will be sold under the Standard Guarantee endorsed by the American Shorthorn Breeders' Association and shown at the back of this book.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager, officers and directors of North Central Iowa Shorthorn Association, nor the clerk of the sale assumes any liability, legal or otherwise.

All cattle are absolutely healthy in every respect and will have passed the tuberculosis and Bang's disease test within thirty days of the sale. Health certificates will be furnished where required to ship into any state or territory.

Although we will use every precaution to provide for the comfort and safety of our guests, all persons who attend this sale do so at their own risk and the owners assume no liability, legal or otherwise, for any accidents that may occur.

Certificates of registry with transfers entered and recorded in the buyer's name will be furnished with each lot sold and for every calf at foot. An application will be furnished for every calf carried in dam.

Where footnotes appear in this catalog they were furnished by the consignor or written from information supplied by the consignor.
